

For a limited time we're offering free job postings. Job postings will be complimentary through Friday, October 21<sup>st</sup>. The site is geared to help simplify the Job Vacancy Announcement process and we feel that at this time it would be helpful to additionally offer free postings. At [jobs.marianas.us](http://jobs.marianas.us) employers have full control over their postings and can provide as much information as they deem necessary for their JVAs and also set-up special contact methods that can be administered by the site or by the employer.

Below are some screen snapshots from [jobs.marianas.us](http://jobs.marianas.us) demonstrating some of the site features. We hope this is helpful and should anyone have any questions we can be reached by phone or email at [nmijobs@integrationsolutions.co](mailto:nmijobs@integrationsolutions.co).

#### Register page:

The registration form is titled "Register" and contains several input fields, each with a "REQUIRED" label to its right. The fields are: "Username", "Password", "First Name", "Last Name", and "Email". At the bottom right of the form is a dark "Register" button.

#### Post A Job page:

The "Post A Job" form is shown with a blue header. It includes a "Share this" button with "Email" and "Share" options. The form fields are: "Position" (dropdown menu set to "Full-Time"), "Category" (dropdown menu set to "Administrative & Clerical"), "Job Title" (text input set to "Administrative Assistant"), "Description" (text area with a placeholder text: "Performs a variety of Internet research functions and uses word processing, spreadsheets and presentation software. Duties also include fielding telephone calls, filing and data entry. May assist with overflow work, and fill in for the office receptionist as needed."), and "Company Name" (text input set to "XYZ Corp"). Each field has a "REQUIRED" label to its right.
